Subject: Willamette needs cleanup that's good for business

I want to make sure the federal government doesn't send a big bill to business and households for the river cleanup.

Portland is fortunate to have a vibrant working waterfront on the Willamette River. We need those jobs to continue to exist and even grow to supply good, living-wage work. Please make sure that the final cleanup plan does nothing to threaten the jobs that we so desperately need.

Please support the harbor jobs that are good for our community and our economy.

Sincerely,
